CORRESPONDENCE.

SANDYSTON.

John W. Kitchen and wife of Col-
umbia, N. J., spent several days
with Mr. and Mrs. J. J. Van Sickle
at Layton.

I notice that correspondents hail-
ing from Milford, intimate that the
recent smash up in which Haines-
ville parties figured was not ended
and that something terrible was yet
to happen. If I am correctly in-
formed the other parties were not
attending to their business or the
smash would not have happened.
Give us a rest on "smash up."

B. D. Hirsch, manager of the
Stroudsburg telephone company
spent last Sunday with his parents
at Layton. Ben got caught on a
railroad bridge and had to run for
his life. Luckily he was fleet enough
to escape being hit by the engine,
but got a tumble bruising him up a
little. He can thank his lucky stars
that that bridge was no longer.

I referred to whisky not paid for,
but sold and drunk and the seller
dared not take pay for the whisky,
and the purchaser is just that much
in pocket and is accordingly happy
over the result. But how about
"tollner feller."

The recent rains have washed our
roads and in many places they are
very rough; add to that the loose
stone that should have been thrown
out that are entirely too numerous
for comfort. This is especially the
road from Layton to the Montagna case
line.

Dr. Hughes and wife returned
home on Saturday after an outing of
nearly a month. They were at Ocean
Grove, N. J., Elmira, N. Y., and
other points.

I notice a little paragraph in the
Port Jervis Gazette of the 16th
inst. which I think could be made
applicable in Jersey. The article is
as follows: "The truant officer of
the Florida, Orange county, public
school on a recent Monday arrested
10 persons, parents of children, who
violated the school law by allowing
their children to remain away from
school." They were fined \$3 each
and \$4 and \$5 were added to the
fines of some offenders who "sassed"
the court. I think we have a similar
law, but no one has the nerve to
enforce the law, as did the Florida of-
ficial. As the law now is, it is very
essential that all pupils attend school
and where they do not attend just
"jerk" them once and the non attend-
ance is at an end.

Little Frank McKeely remains
about the same if anything slightly
improved. Miss Katie Kintner is so
much better as to be able to go out of
doors. Mrs. Sue D. Myers, who has
been confined to her bed for the last
month, is critically ill at this writing.

For the past month the mail from
Branchville & Flatbrookville did not
connect at Layton. On Monday the
post office department ordered the
Branchville mail to leave that place
at 12 noon and the Flatbrookville
mail to leave Layton at 2.15 p. m.,
so there is a possibility of connection
now. Heretofore it was impossible
to make connection.

William Titman of Layton has
purchased the Hotel of John A.
Westbrook at Bevans, paying there-
for \$2,100. Mr. Westbrook has been
in the hotel business for twenty-one
years and now that the infirmities of
age begin to be felt by himself and
his estimable helpmate, he has decided
to relinquish the business. I think I
am safe in saying that few hotels in
Sussex county have more closely com-
plied with the requirements of the
law than this presided over by John
A., and as for his culinary depart-
ment, the drummers can tell you all
about that, for nearly all them make
John's their stopping place.

Long Hair

"About a year ago my hair was
coming out very fast, so I bought
a bottle of Ayer's Hair Vigor. It
stopped the falling and made my
hair grow very rapidly, until now it
is 45 inches in length."—Mrs. A.
Boydston, Atchison, Kans.

There's another hunger
than that of the stomach.
Hair hunger, for instance.
Hungry hair needs food,
needs hair vigor—Ayer's.

This is why we say that
Ayer's Hair Vigor always
restores color, and makes
the hair grow long and
heavy. 25¢ a bottle. All druggists.

If your druggist cannot supply you,
send us ten cents and we will express
you a bottle. Be sure and give the name
of your nearest druggist. Address:

ing their steam saw mill by the Deep
